Ecosystem Certification Organisation Governance Board
Natural Forest Standard Technical Panel

**Formal Acceptance of the Trocano Araretama Conservation Project
Validation Report and Statement
Submitted by Environmental Services Inc. dated 20th March 2013**

Following receipt of the completed Validation Report and Statement for the Trocano Araretama Conservation Project from Environmental Services Inc. on 22nd March 2013, and subsequent recommendation for approval by the NFS Secretariat, it is hereby confirmed that the Trocano Araretama Conservation Project Validation Report and Statement are formally accepted by the ECO Governance Board and the NFS Technical Panel.

It is also confirmed that the Trocano Araretama Conservation Project is now approved for registration with the Natural Forest Standard as an active project and will be published accordingly on the NFS Project Index.

Signed:

Vicky Kelly
Chair, Ecosystem Certification Organisation
Governance Board

Signed:

Dr Richard Tipper
Chair, Natural Forest Standard
Technical Panel

Approval Date: 26th March 2013
