Formal Verification Acceptance Statement

Trocano Araretama Conservation Project
Verification Report and Statement submitted by Environmental Services Inc.

Following receipt of the completed Verification Report and Statement for the Trocano Araretama Conservation Project from Environmental Services Inc. on 17th September 2013, and subsequent recommendation for approval by the NFS Secretariat on 23rd September 2013, it is hereby confirmed that the Trocano Araretama Conservation Project Verification Report and Statement are formally accepted by the ECO Governance Board and the NFS Technical Panel.

It is also confirmed that the Trocano Araretama Conservation Project is now a fully verified Natural Forest Standard project and as such will be published accordingly on the NFS Project Index.
